

ACE 2024

Exploring Product Capabilities

Matteo Nicolich

Director Product Management, Aras

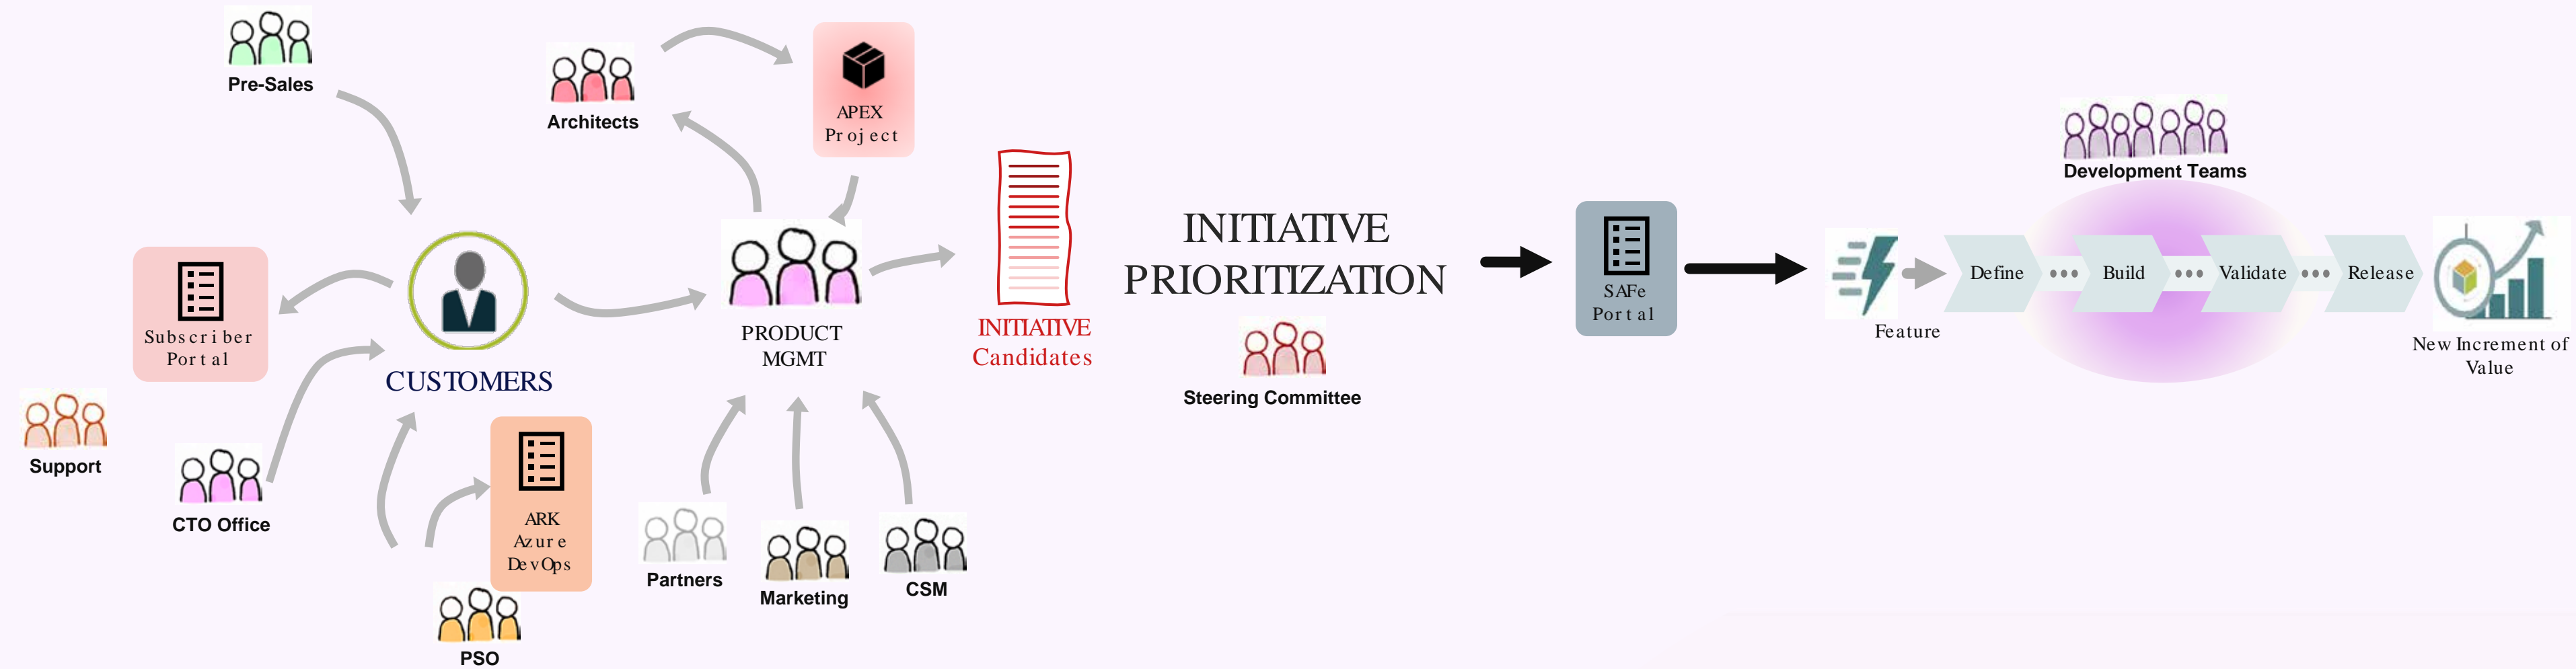

Input Session

5-10 minutes

What challenges do you see in communication?

- § Siloed approach to customer collection and exploration
- § Many inputs with missing validation
- § Point-to-point communication
- § Segmented visibility on candidate initiatives
- § Knowledge on product functionalities and updates

THE BLIND AND THE ELEPHANT

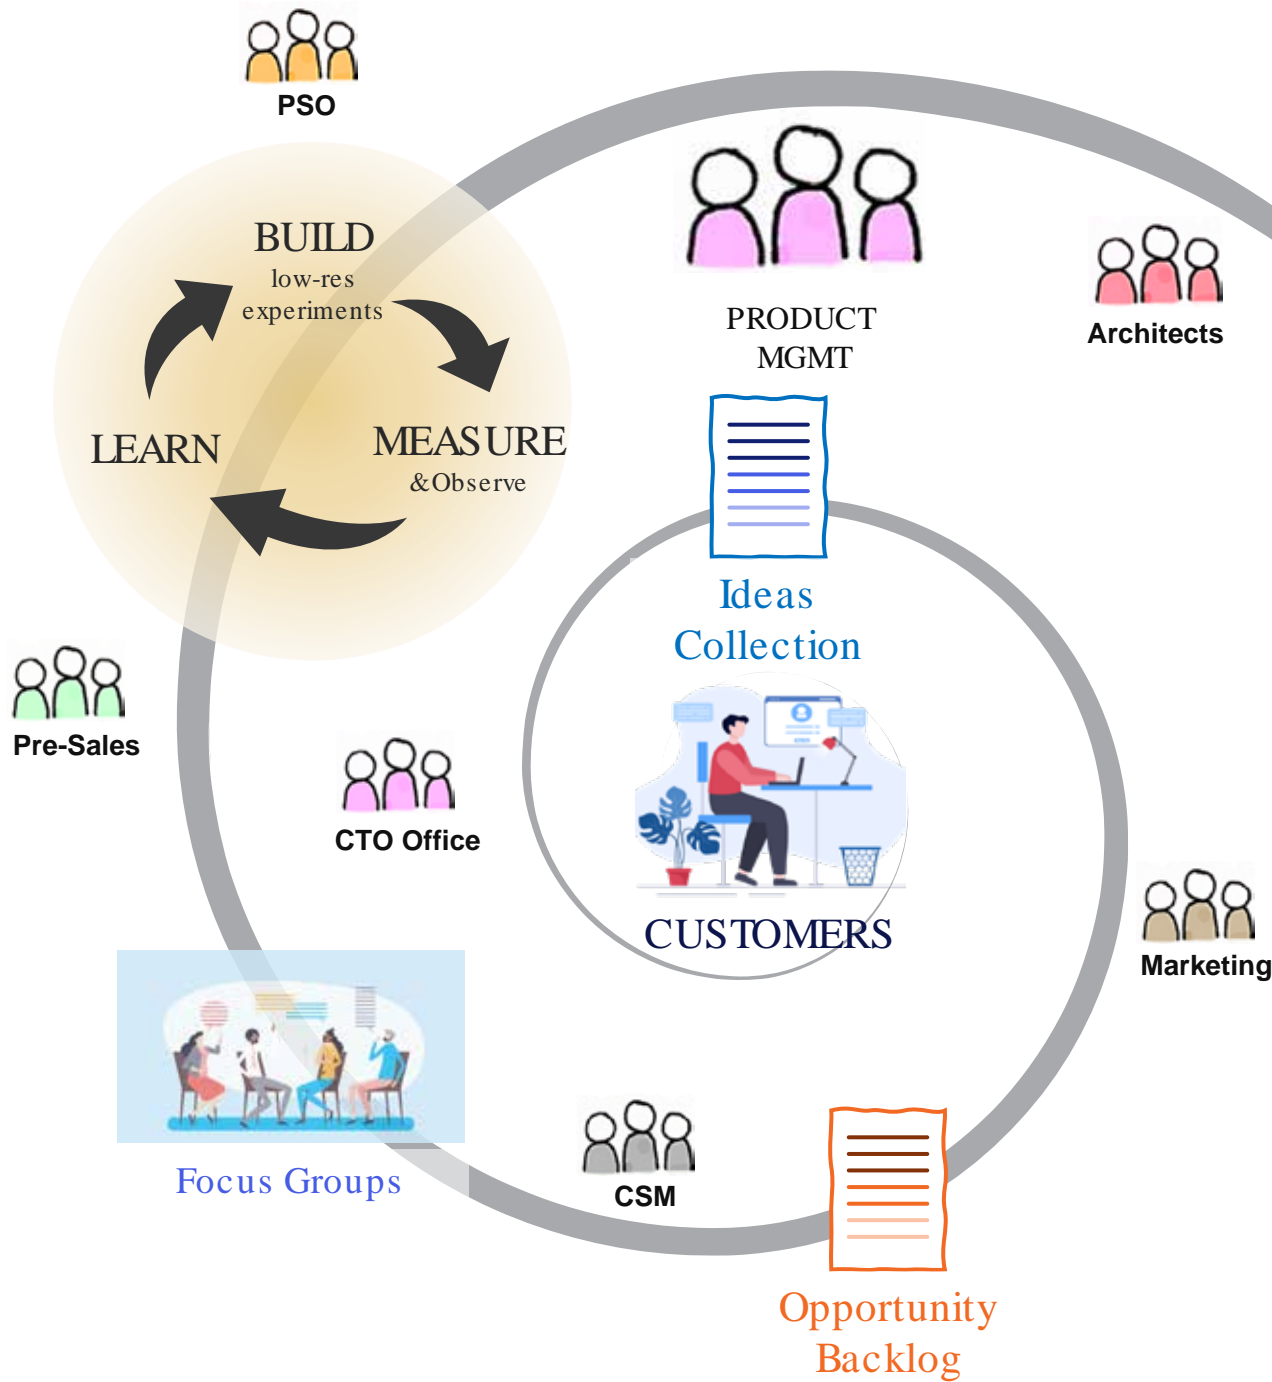

OUR OWN EXPERIENCE IS RARELY THE WHOLE TRUTH

sketchplanations

Customer Centric Continuous Discovery

USER FOCUS

- § Engage
- § Validate early and often
- § Impact roadmap
- § Shape the product of tomorrow

INITIATIVE SELECTION

CONTINUOUS VALUE CREATION

Input Session

5-10 minutes

Focus Groups: what would be a good format?

Product Input Sessions
